Campus Support

- **The Academic Success Program for LD & AD/HD in The Learning Center**
  Where students can get assistance from peer tutors, benefit from a range of study skills classes and groups and programs and get individual 1:1 academic coaching.

- **Campus Health Services**
  - Self Identification of Special Needs
  - For nutrition counseling from registered dietitians (RDs) and Nutrition graduate students. They can work with you to create a tailored nutrition plan that fits into your busy lifestyle and can help you achieve your personal health goals in a supportive and encouraging environment.
  - For information on AD/HD testing and other resources.

- **Counseling and Psychological Services (CAPS)**
  - For individual counseling and theme/support groups

- **Carolina Housing**
  - For specific housing options available on-campus and for housing policies including Fire Safety and Protocol in residence halls:
**Carolina Ready Safety App** [10]

- The Carolina Ready Safety App provides students, faculty and staff with a direct connection to UNC Police so that everyone can easily communicate all their safety needs. Its easy-to-use features help you stay safe every day and enable us to better protect you.
- This app also contains important campus evacuation and emergency procedures for individuals with disabilities / chronic medical conditions under the "Take Action Guides"

**Heels Care Network** [11]

- The Heels Care Network for mental health support including peer support, campus and community resources, and educational resources.

**Smart 911** [12]

- By providing essential information to Smart911 in advance, you ensure that the dispatchers are able to convey critical information to police, or emergency responders. This can be of enormous help to those responding by ensuring that they have information that may not be readily available when they first arrive.
