Syllabus Statement

Syllabus Statement:

Instructors are encouraged to include a syllabus statement to inform students of the availability of reasonable accommodations. More information on the steps and documentation required to initiate an accommodations request can be found in the Accessibility Resources and Services (ARS) [Policy on Student and Applicant Accommodations](#) [1].

The following syllabus statement should be used

"The University of North Carolina at Chapel Hill facilitates the implementation of reasonable accommodations, including resources and services, for students with disabilities, chronic medical conditions, a temporary disability or pregnancy complications resulting in barriers to fully accessing University courses, programs and activities.

Accommodations are determined through the Office of Accessibility Resources and Service (ARS) for individuals with documented qualifying disabilities in accordance with applicable state and federal laws. See the ARS Website for contact information: <https://ars.unc.edu> [2] or email ars@unc.edu [3]."
