Non-Standard Scheduling Request Form for Tests/Exams/Timed Assessments

The Non-Standard Scheduling Request Form (NSS) should only be used if you have missed the one-week deadline to schedule your exam through the ARS Hub [1].

- We will contact you only IF we can make the arrangements you have indicated on the form.

- Submission of this form does not guarantee your test/exam/assessment can be scheduled at the requested day and time and you should continue to explore other arrangements with your instructor in the event that we cannot make arrangements for you.

- Our ability to schedule an exam outside of our regular process via the ARS Hub [1] is dependent upon the availability of space and the staff and administrative burden/time required to attend to your request.
